# THE BOXED MEAL

---

*Everyday Gourmet*

Individually boxed meals are a perfect way to serve a group in an outdoor setting, during break out business meetings or for a group on the go. All items are sustainably packaged and have compostable cutlery inside the box ready for a grab and go experience.

In addition to these meals please inquire about our other boxed items such as charcuterie boxes and mini dessert boxes.

More offerings include full service catering and a meal bundle subscription service. Our online market features a weekly assortment of prepared meals to support your home culinary experience.
